ADMISSIONS PROCESS | 2025-2026

(1) Apply

Submit a Choice Application with the School District of Palm Beach County Choice and Career Options Department.

Applications are due Friday, December 6, 2025.

Applications are available online at www.mypbchoiceapp.com. After you complete the online application, you will receive a confirmation email. Make sure to keep your Choice application login information available to access the website in the future.

If your child has an IEP or 504 plan, please email or bring it to The Conservatory School following your submission of the application. You may email the plan to Choice Program Coordinator, Brooke Brink, at Brooke.Brink@palmbeachschools.org.

Only one application may be submitted per student. For online applications, one application selection change will be allowed prior to December 6, 2025.

Either one or two choices are allowed on the application and should be rated as first and second preferences. First and second choices do NOT have equal chances of being selected.

The address on the application must match the address as listed in the School District student database. Pursuant to Florida Statute, Section 92.525 and under penalties of perjury, parents/guardians will sign the application verifying that the information stated in the application is true and correct.

(2) Audition Appointment

All students must complete an audition before they can be considered eligible for admission to The Conservatory School.

Students who have a completed application with the Choice and Career Options Department will be scheduled for an audition. You will be notified via email about the audition process and the time and date of the audition.

You will receive this email by Friday, January 10, 2025. If you submitted a completed Choice application and do not receive an email about the audition by January 10, please contact the Choice Program Coordinator.

If a student becomes ill and is unable to audition on the scheduled date, written verification documenting the illness from a doctor must be presented to the school within three (3) days of the date of the scheduled audition. A new audition date and time will be selected by the school ONLY if there are additional audition dates available. Students who have not auditioned before the scheduled lottery will not be eligible for the initial lottery process.

(5) Notification of Results

The Choice and Career Options Department will send out notification of a student's acceptance or wait pool status in April 2025.

An Application for Appeal of Choice Program Eligibility (PBSC Form 2418) must be submitted to the Director of Choice and Career Options within ten school days from the date of the notification indicating the child's program assignment, wait pool status, or program ineligibility.
