Our Project-Based Learning (PBL) elective is designed to engage our students in rigorous and authentic project-based work. Through this process, students explore ideas relating to a relevant, real-world concept. Due to the nature of PBL--hands-on and experiential, various costs arise throughout the process. Please support our upcoming projects with a donation. The money will be used to purchase materials, tools, etc. as needed to support the work.

We are asking that all middle school students donate \$50 to be put into a PBL Fund.

You can pay via School Cash online, cash or check. Please make checks out to: The Conservatory School. If paying by check, please write your child's name and grade level on it. Thank you!
