

THE  
CONSERVATORY  
SCHOOL

WELCOME  
*to Kindergarten*

Staggered Small Group Entry Procedure:

To provide more individualized attention during the first week, we're implementing a staggered entry schedule for all Kindergarten students.

Your child's Kindergarten teacher will notify you of their specific first day of school during the first week. Small groups will attend for the first three days, and the entire class will begin attending on the fourth day.

Please make arrangements for your child on the two days they will not be in attendance during that first week.

All Kindergarteners will attend school starting Thursday.
